Marine biological association of San Diego.

Founded and incorporated 1904 for the purpose of carrying on  
biological research. In 1912 the property and management were  
transferred to the Regents of the University of California, the  
name being changed to Scripps institution for biological research.  
and later, Oct. 13, 1925, changed again  
to the Scripps institution of ocean-  
ography of the University of California  
Publications issued 1904-11 will  
be found entered under Marine biologi-  
cal association of San Diego. For  
publications issued 1912 - see

## Market news service.

This subject is used for the market news services and reports of the federal government (mostly Bureau of agricultural economics) and for the reports of the state market news services. For reports issued by agencies other than the federal and state governments see Farm produce. Prices; Farm produce. Statistics; Farm produce. Marketing. Periodicals.
